

## How to Activate a Boxcryptor License

Joseph - 2022-02-11 - Frequently Asked Questions

Boxcryptor allows you to encrypt your sensitive files and folders in Dropbox, Google Drive, OneDrive and many other cloud storages. It combines the benefits of the most user friendly cloud storage services with the highest security standards worldwide. This is a free and optional service now bundled with your PIA subscription.

If you purchased an option that included a license, you can activate your Boxcryptor account using the following instructions.

### Your Order

9. Under your account information, please down and look for PLAN. Then, below the plan, please locate the ENTER KEY and click it.

The screenshot shows the Boxcryptor Account page. The header is green with the Boxcryptor logo and the word "Account". A left sidebar contains a menu with items: Account, Plan, Referrals, Security, Devices, Help, and Advanced. The main content area is titled "Plan" and includes the text: "Your plan defines which Boxcryptor features are available for you." Below this is an illustration of two people, a cloud, and a device. Under the illustration, it says "Plan" and "You are currently using Boxcryptor Free." There are two upgrade options: "Upgrade to Boxcryptor Personal" and "Upgrade to Boxcryptor Business", each with a right-pointing arrow. At the bottom right of the plan section is a button labeled "9 ENTER KEY". The URL at the bottom of the page is <https://www.boxcryptor.com/app/account/upgrade-key/>.

10. A pop up box will appear where you can enter your License. (Note: The key contains 71 Alphanumeric Characters).

11. Then, please click the Submit Button.

## Enter Key

Enter your product key or license key to upgrade your account.

Key **10**

**11** **SUBMIT**
