[COMPLETED] Server Maintenance - April 7th

2022-04-07 - Devin S - Announcements

We are currently performing maintenance on our Spain-Valencia region which may cause users to be unable to connect. While maintenance is being performed, we recommend using a different server location to successfully connect to the VPN client. We apologize for the inconvenience this may cause and would be more than happy to answer any questions or concerns you may have. Feel free to reach out to us through our [Helpdesk](#) for assistance.
