[COMPLETED] Server Maintenance - March 24th

2022-03-23 - Devin S - Announcements

On the 24th of March, we will be performing maintenance on our Sydney, Australia server location which may cause connection issues for users attempting to connect to this exit node. While the downtime is set to last 4 hours, from 9 p.m. MST to 1 a.m. MST the next day, you should be able to connect successfully and take advantage of the upgrades that were implemented.

If you have any questions or concerns, feel free to reach out to us through our [Helpdesk!](#) We appreciate your patience as we address this matter.
