2021-04-12 - Devin S - Announcements

As of Monday, April 12, 2021, our forum will no longer be active. If you are currently using our forum page for support or to provide suggestions, these things can be done through our [Helpdesk](#)! Using the [Community page](#) within the Helpdesk, you can take advantage of our [Suggestion](#) and [Server Request](#) options that we monitor regularly and review on a weekly basis. For support, we'd like our users to reach out to us directly through our [ticketing service](#) or the 24/7 live chat option available on our website.
