Disabled Crypto Payments - July 6th

2022-07-06 - Devin S - Announcements

Due to unforeseen circumstances, we have disabled all Crypto payment options besides Bitpay. This decision was made in light of issues our Crypto payment processor is currently experiencing. Unfortunately, we do not have an exact time frame for when these payment options will be available, but we will notify our users if the status changes.

If you have any questions or concerns, feel free to [reach out](#) to one of our team members and they will be more than happy to assist you. We do apologize for any inconvenience this may cause and hope to have these options available again in the near future.
