Live Chat Maintenance - November 21st

2021-11-21 - Devin S - Announcements

We would like to inform our users of the maintenance being performed on our Chat Widget, which temporarily disables our Live Chat services. If you are in need of assistance or if you have any questions, we advise users to get in touch with us through our [Helpdesk](#) by submitting a Support Ticket.

With Live Chat services being temporarily disabled, we plan to have this option available again, as soon as possible. We apologize for the inconvenience of this matter, but greatly appreciate your patience while maintenance is being addressed.
