[Resolved] Dedicated IP Outage - September 23rd

2022-09-23 - Devin S - Announcements

One of our server providers in **Japan** was having network issues, causing an outage for the Dedicated IP range of 5.182.111.0/24. At this time, we do not have an ETA for when this will be sorted out, but we will keep our users updated!

If you have any questions or concerns, feel free to reach out to us by submitting a [support ticket](#) or by taking advantage of our [24/7 Live Chat support](#). We appreciate your patience while this is being addressed, and hope you have a great rest of your day!
