[Resolved] Disabled Crypto Payment Methods

2022-09-08 - Devin S - Announcements

We are currently not accepting Crypto payments for signups at this time. This option has been temporarily disabled due to infrastructure changes within payment processors. Our team is currently in contact with these payment processors and are working with them to find a solution so we can continue to have this as an option for our users.

If you have any questions or would like more information, please feel free to reach out to us by submitting a [support ticket](#) or by taking advantage of our [24/7 Live Chat support](#). We apologize for any inconveniences this may have caused you and hope to have this as an option again soon!
