[Resolved] Server Outage - July 10th

2022-07-11 - Devin S - Announcements

This past weekend, Sunday July 10th, our data center in Iceland experienced network issues resulting in the outage of our Iceland Server location. This was resolved and our Iceland server is back online. If you were impacted by this outage, we sincerely apologize for any inconvenience this may have caused you.

If you have any questions or concerns, please feel free to reach out to us by submitting a [support ticket](#) or by taking advantage of our [24/7 Live Chat support](#). We appreciate you being a part of PIA and hope you have a great rest of your day!
