[Resolved] Server Outage - July 26th

2022-07-26 - Devin S - Announcements

At this time, we are experiencing an outage with our **Iceland** server location. Our team is aware of this matter and they are actively working to have this as an available server option again for our users. While we do not have an ETA for when this will be resolved, we appreciate your patience while we address this outage.

If you have any questions or concerns, please feel free to reach out to us by submitting a [support ticket](#) or by taking advantage of our [24/7 Live Chat support](#). We appreciate you being a part of PIA and hope you have a great rest of your day!
