## [Resolved] Server Outage - September 8th

2022-09-08 - Devin S - Announcements

Around 1:00 am MST, we experienced issues with our **Moldova** server location causing it to be temporarily unavailable. While we apologize for the inconvenience of this outage, we can confirm that the issue has been addressed and the server location is available once again.

If you were impacted by this outage, we apologize for the inconvenience this may have caused. If you have any questions or concerns, feel free to reach out to us by submitting a [support ticket](#) or by taking advantage of our [24/7 Live Chat support](#). Have a great rest of your day!
