## [Resolved] Website Outage - July 26th

2022-07-27 - Devin S - Announcements

On July 26th, we experienced an outage that left our website inaccessible. We sincerely apologize if you were impacted by this outage. Our team was able to swiftly address the issue and make the website available again.

If you have any questions or concerns regarding the outage, feel free to get in touch with us by submitting a [Support Ticket](#) or by taking advantage of our [24/7 Live Chat Support](#) option. We appreciate your patience and hope that you have a great day!
