Support Portal Email Migration

2022-07-25 - Devin S - Announcements

Over this past weekend we have migrated to a new email provider! During this migration, you may have received an erroneous email regarding an open ticket. If you wrongly received this email, we sincerely apologize for the inconvenience.

At any time, you can check the status of your support ticket by logging into the [CCP](#), or you can submit a new support ticket through our [Helpdesk](#). Feel free to reach out if you have any questions or concerns. Thank you for subscribing!
